Head/Principal

It is our immense pleasure to cordially invite you to the first edition of All Sindh Model United Nations Conference being held from the 29<sup>th</sup> of December to the 31<sup>st</sup> of December, 2018 at Modern School Sukkur located at Local Board, Minara Road.

ASMUN has one of the richest MUN cultures in Pakistan and our values set us apart from conferences nationwide. Our vision of a completely free MUN came to life last year and this is one big reason why our conference is a nationwide phenomenon.

The purpose of the event is to engage participants with the like-minded people on the topics that interest them. Moreover, it provides students & young professionals with the opportunity to improve their knowledge and awareness of the most relevant international issues and contribute to advance feasible and innovative proposals for action. The young delegates, in seeking solutions to these problems can learn to break away from narrow mindsets, indulge in life changing debates regarding national self-interest and develop true international cooperation. We at ASMUN believe in the development of people and society and hence throw students into deep intellectual waters and would invite your students to take part in this gathering ***free of cost*** and develop a better understanding of the global society.

ASMUN is an event filled with learning, which provides delegates with not only intense committee sessions under experienced directors but also meaningful interactive sessions. The participants take along with them knowledge, experience, awards and a bundle of fond memories. We would love to host you and once again invite your students to be a part of ASMUN 2018. If you wish our representative may speak to you in case you have any queries.

Registration has already begun. We strongly encourage you to visit our website [www.asmun.org](http://www.asmun.org) should you have any query.
